ADULTERATED WINE

is injurious, but nothing gives strength, and tones up the stomach like a pure old port wine. "Royal Ruby Port," so called for its royal taste and ruby color, is on account of its purity, age and strength, particularly adapted for invalids, convalescents and the aged. Sold only in bottles (never in bulk) while cheap wine is sold by the gallon and gives a large profit to the seller but less to the user. This wine is absolutely pure, and has the age without which no wine is fit to use. Be sure you get "Royal Ruby"; quart bottles \$1, pints 60 cts. Sold by Grant Holden & Tiro.

WHY "No. 9" ARE HEELER & WILSON'S No. 9 SEWING MACHINES

POPULAR? BECAUSE LADIES BUY THEM LIKE THEM AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair. We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.
